

How Do Humans Copy Nature?

LIFE SCIENCES

Get ready

GET GOING

Observing: The maple seed and the propeller of a plane:

- ☒ We provide: Instructions - paper seeds (pdf)
- ☐ several maple seeds

If you don't have any maple seeds:

- ☐ a strip of paper approximately 4 cm x 10 cm – for each student
- ☐ a paper clip – for each student

Experiment: How can we move on the surface of water?

- ☐ a cup of water – for each group
- ☐ several paper clips for each group

Puzzle/quiz: Nature is full of patents

- ☐ Quiz - slides (pdf)

GET PRACTICING

Constructing:

- ☐ any art supplies (and other materials)
